Ruby let loose at Dreamworld

BUZZ loves a good rollercoaster and so it seems does MTV host **Ruby Rose**. Dressed in killer boots and signature bling, the face of MTV was at **Dreamworld** last week to announce the brand new *MTV Plugs into Dreamworld Summer Series*, a live music show starting there on Boxing Day. The Coomera theme park is only a stone's throw from the original stomping ground of Rose's new gal pal, supermodel **Catherine McNeil**, who hails from Logan. Maybe she dropped in to say hello to the rels?

Love is in the air

AND this week's Epic Fail PR Pitch of the Week goes to Haystac, in South Melbourne, who sent us a media release for **Valentine's Day**. Wtf? We can barely deal with the fact that it is only 43 days to Christmas from today!

Indulge in fashion

STYLE slaves have their perfect Christmas gift, with orders now taken for a **Queens Plaza and the Hilton Brisbane's Fashionista Minibreak**, which includes overnight accommodation in a Hilton Deluxe Room; breakfast in the Atrium Restaurant; late checkout; \$50 QueensPlaza gift card;

QueensPlaza personalised style sessions and consultations by appointment and parcel delivery service. Gift vouchers are available. Cost is from \$245 per room per night, valid from December 15-January 31. Phone 1300 445 866 and quote package PR44SD or visit hilton.com/brisbaneoffers.

Full of beans

FAR be it from us to be overly dramatic, but we at **BUZZ** would surely die here, in our newsroom, without coffee. Certainly no deadlines would be met, nor any papers printed. And so we salute the good folk at **Elixir Coffee** for their amazing freshly roasted/green beans which left us bouncing off the walls. Located at Stafford, Elixir prides itself on its "coffee for the soul". We say it's coffee for sanity! We can vouch for the strong, smooth flavour of Elixir's Velluto Blend and its exquisite chocolate-covered coffee beans aren't half bad either. We ain't called **BUZZ** for nothing. Mmm coffee.
